G.O.Ms.No.3405, Dated the 9th October 1947
Read the following:--

From the Director of Public Health, R.No.4012-20-E2/46, dated the 11th June 1947
From the Director of Public Health, R.No.4012-20E2/46, dated the 19th August 1947.

O r d e r:

The Government do not approve the proposal of the Director of Public Health in his letters cited above as it is undesirable to keep the members of a service indefinitely as probationers till they pass the language test. They consider that the proper course will be not to prescribe the test as a condition precedent to the completion of probation of Health Inspectors and that it will be sufficient to lay down that the Health Inspectors should pass the test within a prescribed period from the date of appointment, ~~failure~~ failing which the penalty of stoppage of increment shall be imposed till they pass the test.

2. The Director of Public Health is accordingly requested to submit revised draft amendments to the Madras Public Health Subordinate Service Rules and also specify the date from ~~the~~ which the amendments should take effect.
